This year, GCS is continuing its contract with the outstanding student website resource Career Cruising. Students using Career Cruising can extensively research both careers and colleges.

For the first time, GCS has extended its contract with Career Cruising to include Method Test Prep, a remarkable SAT and ACT test preparation program for students.

3. Click on "Login to My Plan" from the top left corner
4. Click on Create My Plan from the right side of the drop down menu
5. Complete the required fields to create a My Plan account

*you will use the Username and Password created here to access Career Cruising and MTP the next time you login.

To access Method Test Prep:
